

# MEA-STIM-ADPT-UP

## Pin layout

Adapter for MEAs with 16 additional stimulating electrodes (MEA-200/30-Stim)  
and for MEA1060-UP amplifiers

ⓐ = Ground    Ⓢ = Stimulating channel

First installation is made by Multi Channel Systems MCS GmbH. You can then remove and install the adapter using the four screws in the corners. The adapter is symmetrical, that is, the orientation does not matter.
