

● **MP-MEA2100-HS2x60**

● **Metal Plate for MEA2100-HS2x60 Headstage**

For installing the metal plate, please remove the four designated screws on the headstage of the MEA2100 device and keep the screws for reusing them later. Attach the steel plate onto the headstage and fix the plate with the four screws.

Scope of delivery: 1 metal plate MP-MEA2100-HS2x60
