achieving results

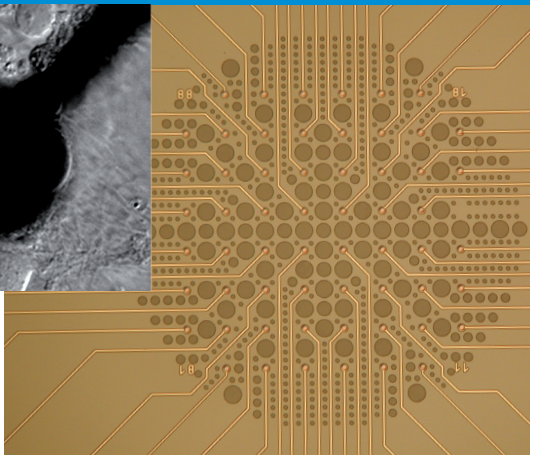

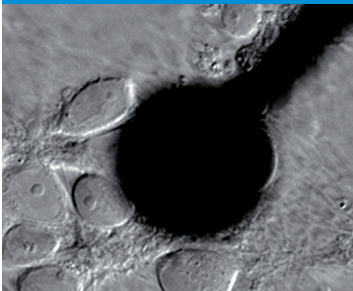

## MEA Meeting 2018

11<sup>th</sup> International Meeting on

Substrate-Integrated Microelectrode Arrays

science, technology  
and application

July 4 - July 6, 2018  
Reutlingen, Germany

**[www.nmi.de/meameeting](http://www.nmi.de/meameeting)**

**Substrate-Integrated Microelectrode Arrays (MEA):**

Electrophysiological Tools for Neuroscience,  
Biotechnology and Biomedical Engineering.

The biennial MEA Meeting is a unique platform for scientific exchange on MEA technology and applications in neuroscience, pharmacology, stem-cell research and prosthetics.

**Abstract submission** opens: January 15, 2018.

## MEA Meeting 2018

### Conference Venue

Stadthalle Reutlingen, Reutlingen, Germany

### Meeting Website

[www.nmi.de/meameeting](http://www.nmi.de/meameeting)

Check the website regularly for news and details.

### Key-Note Speaker

- Prof. Zameel Cader (Oxford University, UK)
- Tim Harris (Janelia Research Campus, Ashburn, VA USA)

### International Scientific Programme Committee 2018

- Blake D. Anson, Cellular Dynamics International, Madison, WA, USA
- Dries Braeken, IMEC, Bioelectronic Systems Group, Heverlee, Belgium
- Michela Chiappalone, Italian Institute of Technology, Genova, Italy
- Ulrich Egert, University of Freiburg, Germany
- Oliver Frey, InSphero AG, Schlieren, Switzerland
- Michele Giugliano, University of Antwerp, Belgium
- Yael Hanein, Tel-Aviv University, Israel
- Andreas Hierlemann, Swiss Federal Institute of Technology, Basel, Switzerland
- Sven Ingebrandt, University of Applied Sciences, Kaiserslautern, Germany
- Yasuhiko Jimbo, University of Tokyo, Japan
- Ralf Kettenhofen, Ncardia, Axiogenesis Cologne, Germany
- Sonja Kleinlogel, University of Bern, Switzerland
- Regina Luttgé, TU Eindhoven, Netherlands
- George Malliaras, University Saint-Etienne, France
- Yoonkey Nam, KAIST, South Korea
- Susanna Narkilahti, University of Tampere, Finland
- James Ross, Axion Biosystems, Atlanta, GA, USA
- Micha Spira, The Hebrew University of Jerusalem, Israel
- Roland Thewes, Technical University Berlin, Germany

### Organizer

Udo Kraushaar, Guenther Zeck, Paolo Cesare  
NMI Natural and Medical Sciences Institute  
Markwiesenstrasse 55, 72770 Reutlingen, Germany
